Southwells are a highly successful and reputable supplier of irrigation and, pumping equipment for **over 70 years** operating with branches in the **Camden, Bowral and Cowra districts**.

Business restructuring sees the need to appoint an irrigation team leader who will be responsible for the allocation of resources, quality control and on time delivery of **irrigation and pumping systems** whilst participating in an active sales role for the business in the **Bowral branch**.

The ideal person will have a sound knowledge and experience in irrigation equipment and its purpose. Experience in computer-aided drawing/design systems would be an advantage.

We are looking for a person who:

- *Has a strong self-starter approach with a "hungry attitude" for success*
- *Strong understanding of irrigation and pumping systems*
- *Is a team player who can work with minimum supervision and organize others*
- *Is proficient in irrigation system installation*
- *Can demonstrate strong planning, organizational and priority setting abilities*
- *Will possess exceptional interpersonal and relationship building skills*
- *Has a high level of enthusiasm and personal motivation to achieve "better than ordinary results"*

This opportunity deserves further enquiry, especially if you are looking for a lifestyle that offers a country environment close to Sydney. **A competitive remuneration package, including vehicle** is being offered to attract the best talent.

Written applications which *must address the above criteria* should be sent in STRICTEST CONFIDENCE to:
